Letter of Recommendation

Dear Sir/Madam,

I am pleased to provide this letter of recommendation for Ava Mitzi Worthington, who worked with Timeslice Cinematography in Cape Town, South Africa. Ava served as a vital member of our team, taking on the challenges of coordinating and managing relations between international and local production companies as well as our technical teams for aerial/drone cinematography on various film and documentary productions.

Ava consistently demonstrated an understanding of the complexities involved in filmmaking operations and partnership management. Her responsibilities included overseeing licensing, conducting risk assessments, and handling logistics to ensure that all drone operations complied with regulations. She was adept at managing relations between the international and local teams and provided support to the technical teams running the projects. Her attention to detail and proactive approach were instrumental in our ability to deliver high-quality cinematic outcomes on time and within budget.

One of Ava's key strengths is her ability to foster strong partnerships between the different production teams and technical staff. She is talented in facilitating effective communication and collaboration, ensuring that all parties are aligned and working towards the same goals. This skill was particularly valuable in our fast-paced and dynamic work environment, where clear communication and quick decision-making are essential to our success.

Ava's dedication, professionalism, and commitment to excellence were evident in every project she undertook. She is a dynamic team member who can handle multiple tasks with ease, all while maintaining a high quality of work.

Ava was thoughtful towards the complexities of the environments we were working in, as we travelled in Southern Africa. Managing projects with both local and international teams requires navigating different cultures, languages, and professional expectations. Ava approached these challenges with inclusivity and respect, ensuring that all team members felt valued and understood. Her attention to cultural sensitivities and dedication to minimising our impact on the natural environments where we filmed were excellent. Ava was consistently mindful of the ecological footprint of our work, demonstrating a genuine respect for the landscapes and communities we engaged with.

I wholeheartedly recommend Ava. Should you require any further information, please do not hesitate to contact me at jono@timeslice360.com
